PROJECT ASSESSMENT

GemPad has conducted a thorough and meticulous evaluation of the HYME cryptocurrency project. Our process involved an initial data review, followed by live interviews with the project team and subsequent fact-checking sessions. The evaluation covered 13 crucial categories to ensure precision, authenticity, and compliance.

After a thorough review, we're delighted to confirm that HYME met or exceeded GemPad's strict criterias. The project showcased an unwavering commitment to transparency and responsiveness throughout the vetting process. The team provided all necessary information promptly and exhibited flexibility in adapting to necessary changes for a successful outcome.

The vision of the HYME team seamlessly aligns with GemPad's commitment to innovation and delivering exceptional-quality products. Their scroll-to-find platform is transforming the way we discover crypto projects, making them not only accessible but also engaging and entertaining. HYME's dedication to simplifying crypto exploration reflects their commitment to providing user-friendly experiences.

Based on all the information we've gathered, we proudly award HYME the **VETTED Badge**, a testament to the project's dedication to maintaining high standards of precision, authenticity, and compliance.

This public document was finalized on the 9th of October 2023, we would like to congratulate the HYME team on their successful completion of the vetting process. We eagerly look forward to continuing our engagement with the project and monitor closely its progress.
